Export of fruits from Bihar

†3068. SHRIMATI KUM KUM RAI: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether fruits such as Mango, Litchi, Banana, Papaya; Guava and jack fruits are produced in large quantities in Bihar;

(b) whether Government have provided any facility to send the fruits produced in Bihar in national and international markets; and

(c) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI DIGVIJAY SINGH): (a) While Mango, Litchi and Guava are produced in large quantities, small quantity of Banana is also produced in Bihar. There has been no significant production of papaya and jack fruit in Bihar according to the data available.

(b) and (c) The marketing of agro products such as fruits is, *inter alia*, facilitated through regulated agricultural produce marketing committees, cooperative marketing committees, etc. in the national market. Further, the Government has been encouraging exports of horticulture products such as fruits through various assistance schemes which are applicable to all the states in the country including Bihar. These measures include the following:

(i) Arranging promotional campaigns such as buyer-seller meets and participation in important international fairs and exhibitions;

(ii) Setting up of integrated cargo handling and cold storage facilities at various Internatinal Airports for handling export of perishable items such as fresh fruits and vegetables;

(iii) Establishment of vapour heat treatment facilities for improving the acceptability of the product especially mangoes in overseas markets. Research efforts are on for the use of modern
